Newsletter No. 6 of 2025

Date: 25 April 2025

Dear Parents/Guardians,

We extend our heartfelt gratitude to all the parents/guardians who attended the Parent Meeting held on **12 April 2025**. Your presence and participation demonstrated your commitment to partnering with us in our journey to **excel beyond boundaries** and to turn the **#50%Marung** vision into a reality. Your continued support is valued and appreciated.

## Winter uniform reminder

Thank you to all the parents/guardians who ensure that learners wear the correct school uniform every day. This serves as a strong foundation for discipline and school pride. Please note that **from 5 May 2025**, all learners are expected to be in **full winter uniform**. If there is any uncertainty about the winter uniform requirements, please do not hesitate to contact your child's **Grade Guardian** for clarification.

## Classes: 28 April – 2 May 2025

Please take note that during the week of **28 April to 2 May**, selected learners will follow the **timetable issued to them**. Learners must report to school **on time**, dressed in **full uniform**, and be prepared for classes. **All school rules will apply in full**.

## Mid-Year examination preparation

School will close **this afternoon**, and classes will **officially resume on Monday, 5 May 2025**. We encourage all families to use this short recess as an opportunity to prepare learners for the upcoming **mid-year examinations**. Let's work together to ensure that learners:

- Review their work daily.
- Utilise the **SIYAVULA app** for practicing **Mathematics and Physical Sciences**.
- Use all **school-provided resources** for other subjects to enhance their understanding.

We kindly ask parents/guardians to assist by **monitoring learner study schedules** and ensuring active engagement with all academic materials.

## Bullying and substance abuse awareness

During this break, we encourage you to engage your child in meaningful conversations about the **dangers of bullying, substance abuse**, and the rising concern of **vaping**. Your guidance at home plays a crucial role in reinforcing the values we instill at school.

## In Conclusion

May this short recess be a time of **rest, reflection, and reconnection** for all families. Together, let's continue to guide and support our learners towards success and holistic well-being.

Warm regards,
