Hoërskool Silverton

Please take note that some assessments will be written in the afternoon and some during the morning sessions, in Tutor classes.

Morning sessions:

- These sessions will primarily be written in tutor classes.
- Time:
 - Report to tutor class for register and preparation: 7:30.
 - Reading: 07:50 – 08:00.
 - Writing time: 08:00 – 09:00.
 - Finishing time: 09:00.

Afternoon sessions:

- The subjects written in the afternoon require more than 1 hour and will be written after school.
- The morning sessions will therefore be used by learners to prepare for the assessment.
- Time:
 - Report to venue for register and preparation: 14:25.
 - Reading time: 14:30 – 14:40.
 - Starting time: 14:40 – completion.

Rules and Regulations

- All learners will be seated in the venue during the test period. Learners not writing a formal assessment in a specific session will be granted study-time to prepare for other upcoming assessments. In some Grade 10 – 12 subjects, the learners will be divided into groups and venues for that specific session. These venues and lists will be made available prior to the assessment.
- All learners must be on time for the assessment session. If you are late, no additional time will be allocated.
- You must not assist, try to assist, or communicate with anybody during the assessment session. Any questions must be directed to the invigilator.
- You may not create a disturbance in the venue, or behave in an improper or unseemly manner.
- You may not have any material – which may be of help to you – in the venue, other than that which was provided to you by the invigilator.
- Only calculators, as approved and prescribed, may be used in the assessment. Calculators must be free from the case at all times.
- You may not take, use, borrow, or receive anything from any other candidate.
- Under no circumstances may any electronic device be used; especially phones or smart-watches.
- If you fail to adhere to these rules, you will be liable to a hearing.
