

Dear Parents/Guardians, Staff and Learners

We have reached the end of another busy week at Hoërskool Silverton. Our Grade 8–11 test series and Grade 12 preliminary examinations are underway, and the partnership between school and home remains very important. Small acts of preparation, discipline and responsibility help us protect teaching and learning every day.

As we continue to honour the past and shape the future, we thank every parent, guardian, learner and staff member who keeps choosing what is best for our school community.

PARENT PARTNERSHIP

Simple routines at home help the school day run smoothly.

PACKED LUNCH

PLEASE: Every learner must come to school with a packed lunch.

- No food may be delivered to learners at school.
- Parents/Guardians must not drop off food or cash at the front office.
- Please plan before the school day begins so that teaching, learning and administration are not interrupted.

PRINTING PAPER

Another reminder:

Parents/Guardians who have not yet submitted one ream of TYPEK printing paper per learner are kindly requested to do so.

SCHOOL FEES

Please ensure that school fees are paid and accounts are kept up to date. Your support helps the school continue serving our learners effectively.

NO CELLPHONES

Parents/Guardians are reminded: learners must not bring cellphones to school. Please support the school by ensuring that cellphones are left at home.

A WORD TO OUR LEARNERS

Be prepared. Be responsible. Ask for help when you need it.

BRING THE RIGHT BOOKS

Curriculum monitoring is not about catching learners out. It is about seeing what is complete, what is missing and where support is needed.

USE CLASS TIME WELL

Our assessment programme is still underway. Every lesson, revision period and study session matters.
